FORWARD-LOOKING STATEMENTS

From time to time, Equitable Group Inc. (the “Company” or “Equitable”) makes written or oral forward-looking statements within the meaning of applicable securities laws (“forward-looking statements”). The Company makes forward-looking statements in this annual information form, in other filings with Canadian securities regulators and in other communications. Forward-looking statements in this document include, but are not limited to, statements about the Company’s objectives, strategies and initiatives, financial result expectations and other statements made herein, whether with respect to the Company's businesses or the Canadian economy. Generally, forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "planned", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases which state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "will occur" or "will be achieved". Forward-looking statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, closing of transactions, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements, including but not limited to risks related to changes in accounting standards, policies and estimates, changes to and new interpretations of risk based capital guidelines, capital markets and additional funding requirements, fluctuating interest rates and general economic conditions, the impact of legislative and regulatory developments, the nature of its customers and rates of default, and competition, as well as those factors discussed under the heading “Risk Management” in the Company’s Management Discussion and Analysis for the year ended December 31, 2010 and in the Company’s documents filed on SEDAR at www.sedar.com.

All material assumptions used in making forward-looking statements are based on management's knowledge of current business conditions and expectations of future business conditions and trends, including their knowledge of the current credit, interest rate and liquidity conditions affecting the Company and the Canadian economy. Although the Company believes the assumptions used to make such statements are reasonable at this time and has attempted to identify in its continuous disclosure documents important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. Certain material assumptions are applied by the Company in making forward-looking statements, including, without limitation, assumptions regarding its continued ability to fund its mortgage business at current levels, a continuation of the current level of economic uncertainty that affects real estate market conditions, continued acceptance of its products in the marketplace, as well as no material changes in its operating cost structure and the current tax regime. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. Equitable does not undertake to update any forward-looking statements, whether written or oral, that may be made from time to time by the Company or on its behalf, except in accordance with applicable securities laws.

CORPORATE STRUCTURE

Name, Address and Incorporation

Equitable Group Inc. (the “Company” or “Equitable”) was formed on January 1, 2004 pursuant to a Certificate of Amalgamation issued under the *Business Corporations Act* (Ontario). Articles of Amendment dated September 1, 2009 were filed in connection with the creation and issuance of the Series 1 Preferred Shares of the Company.

The Company's registered and head office is located at 30 St. Clair Avenue West, Suite 700, Toronto, Ontario, M4V 3A1.

Intercorporate Relationships

The Company serves as the holding company of its 100% wholly-owned subsidiary, The Equitable Trust Company (“Equitable Trust”). Equitable Trust is a federally regulated financial institution incorporated in 1970 by Letters Patent issued under the predecessor statute of the *Trust and Loan Companies Act* (Canada).

GENERAL DEVELOPMENT OF THE BUSINESS

Three Year History

Equitable is publicly traded on the Toronto Stock Exchange (“TSX”). The Company is a niche mortgage lender that provides loans secured by first mortgages and mortgages insured by the Canada Mortgage and Housing Corporation (“CMHC”) through its wholly-owned subsidiary, Equitable Trust. Equitable Trust is a federally regulated financial institution supervised by the Office of the Superintendent of Financial Institutions Canada (“OSFI”). The primary sources of the Company’s revenues are derived from interest income as well as commitment, renewal and discharge fees derived from its mortgage financing business. Equitable Trust’s ability to fund its mortgage business by attracting depositors as a regulated Canada Deposit Insurance Corporation (“CDIC”) member has allowed it to build a diversified mortgage portfolio secured by residential and commercial real estate.

Included in the revenues the Company derives from interest income on mortgages is income from insured mortgages whose securitization is facilitated by CMHC through the Government of Canada’s National Housing Act Mortgage Backed Securities (“MBS”) and Canada Mortgage Bond (“CMB”) Programs. The Company also earns interest and dividend income from investments.

Equitable Trust is licensed to conduct business across Canada with offices in Ontario, Quebec and Alberta. The Company operates without a branch network, choosing instead to achieve lower overheads by serving independent mortgage brokers that originate mortgages and independent deposit agents that originate deposits. This business model and the Company’s strong competitive position have established it as a leader in its mortgage lending niches.

The Company has three core lending businesses, which align well with its competitive strengths, competencies and profitability objectives:

- **Single Family Lending Services (“Single Family”):** This business benefits from Equitable Trust’s well-established relationships with a large independent mortgage broker network, its focus on customer service, as well as Equitable’s experience in utilizing a disciplined approach to credit evaluation and collections.
- **Commercial Mortgage - Broker Services (“Broker Services”):** This business funds mortgages typically below \$2.5 million, on a variety of property types, including mixed-use, apartment buildings, commercial and industrial properties sourced from independent mortgage brokers. Broker Services specializes in assisting experienced entrepreneurs, business operators and real estate investors. Its broad mortgage broker relationships and strong underwriting capabilities are among its key strengths.

- Commercial Lending Services: This business funds larger, more sophisticated transactions that are secured by mortgages which provide low risk and good return characteristics for Equitable, but are originated through commercial mortgage broker specialists.

In 2007, Equitable Trust became a member of the Canadian Payments Association and in 2008, Equitable Trust became an Approved Seller under the CMB Program.

Equitable Trust expanded the provision of Single Family Lending Services into Manitoba in 2008 and into British Columbia in 2010. Also in 2010, Equitable Trust opened its first office in Montreal expanding its Broker Services and Commercial Lending Services to the Montreal area.

To support ongoing growth and enhance regulatory capital, the Company:

- Completed a public offering and private placement of common shares totalling gross proceeds of \$40.9 million in 2008, the net proceeds of which were used to purchase \$38.9 million of Equitable Trust common shares.
- Completed a public offering and private placement of Series 1 non-cumulative preferred shares, as hereinafter defined, totaling gross proceeds of \$50.0 million in 2009. The total proceeds of the offerings were used to acquire preferred shares of Equitable Trust, which qualified as Tier 1 regulatory capital for Equitable Trust.
- Issued \$23.2 million in Series 8 subordinated debentures (“Series 8 Debentures”) in 2009. As part of this transaction, the Company repaid \$13.3 million of its bank term loans and Equitable Trust concurrently redeemed \$30.8 million of its Series 5 Debentures, of which \$13.3 million were issued to the Company. The remaining \$3.8 million of Series 5 Debentures were redeemed and \$3.8 million of bank term loans were repaid in separate transactions prior to the issuance of Series 8 Debentures during the year. The gross proceeds of the offering of the Series 8 Debentures were used by the Company to purchase subordinated debentures of Equitable Trust, which qualified as Tier 2B regulatory capital.
- Issued \$20.0 million in Series 9 subordinated debentures (“Series 9 Debentures”) in 2010. As part of this transaction, the Company repaid \$15.0 million of its bank term loans and Equitable Trust concurrently redeemed all of its \$20.0 million Series 6 Debentures, of which \$15.0 million was issued to the Company. The gross proceeds of the offering of the Series 9 Debentures were used by the Company to purchase subordinated debentures of Equitable Trust, which qualified as Tier 2B regulatory capital.

There were no significant acquisitions or dispositions that occurred during the year ended December 31, 2010.

DESCRIPTION OF THE BUSINESS

Employees and Facilities

At December 31, 2010, Equitable Trust employed 183 full-time employees operating out of leased offices in Toronto, Montreal and Calgary.

Business Overview

The Company provides first mortgage financing and CMHC-insured mortgage financing to owners of single family dwellings, multi-unit residential buildings and commercial properties through its wholly-owned subsidiary Equitable Trust. In the single family dwelling segment, the Company’s major markets are Ontario, Alberta and Manitoba, where it is an alternative lender to borrowers who are unable to satisfy the strict underwriting criteria of conventional bank mortgage lenders.

Credit risk is managed through the Company's lending policies and procedures, the establishment of lending limits and a documented approval process. Underwriting criteria used are intended to minimize risks inherent in its target market and include prescribed loan to values based on the nature of the property and strict debt service ratio guidelines.

Equitable Trust accepts deposits from the public by issuing Guaranteed Investment Certificates ("GICs") and pays interest on these deposits. GICs provide funding for all business lines and are largely originated through deposit agents, who are members of the Investment Industry Regulatory Organization of Canada ("IIROC") or the Registered Deposit Brokers Association (the "RDBA"). In addition, Equitable Trust issues MBS. Prior to adopting International Financial Reporting Standards ("IFRS") on January 1, 2011, Equitable Trust has generated earnings from its MBS operations in the form of gains on the sale of mortgages securitized, including securitization through the CMB program, as well as recurring earnings from its retained interest in such mortgages.

The Company operates a low cost business model. Mortgage and deposit origination functions are largely obtained through independent brokers with a portion of the mortgage administration being outsourced.

Competitive Conditions

Equitable Trust's products compete with those offered by other trust companies, chartered banks, insurance companies and other financial institutions and intermediaries in the jurisdictions in which it operates. The Company chooses to compete in those market niches which are less attractive to banks and other financial institutions and where the Company has proven expertise and, as such, can earn superior risk-adjusted returns. The key competitive difference Equitable Trust offers is superior service based on responsive solutions for its mortgage brokers, deposit agents and customers.

Environmental Protection

The Company is exposed to some financial risk as a result of environmental laws. There is a possibility that hazardous substances could be found on properties which Equitable Trust holds as security. This could affect the value of the properties or result in the liability of Equitable Trust to a governmental entity or third parties if Equitable Trust realizes on its security and takes possession or becomes the owner of any such properties. To manage this potential exposure, environmental risk is evaluated as part of Equitable Trust's underwriting process. To date, this environmental risk has not had a material adverse effect on the Company's operations or financial condition.

Regulatory Matters

As a federally regulated trust company, the activities of Equitable Trust are governed by the *Trust and Loan Companies Act (Canada)* (the "Act") and are supervised by the Office of the Superintendent of Financial Institutions Canada ("OSFI"). OSFI is responsible to the Minister of Finance for the administration of the Act. OSFI is also required to examine the affairs and business of each institution governed by the Act to ensure compliance therewith and to ensure that each trust company is in sound financial condition. OSFI's report of the examination is submitted to the Minister. Equitable Trust is also subject to regulation by the Canadian Deposit Insurance Corporation and the *Financial Consumer Agency of Canada Act*. Equitable Trust's activities are also subject to various other federal statutory requirements, including the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* which applies to all federally regulated financial institutions in Canada and under provincial laws in those provinces where it is active.

Principal Products and Services

Mortgage Lending

The Company's mortgage products consist of fixed and floating rate first mortgages and CMHC-insured mortgages with terms of up to ten years. The majority of the Company's mortgage financing business is in single family dwelling, mixed-use property, multi-unit residential and commercial properties. At December 31, 2010, these four categories accounted for 93.0% of Equitable's mortgage portfolio. The Company provides facilities to other mortgage originators to warehouse mortgages that are intended to be sold and are referred to in the table below as "Mortgages held for sale". Equitable's mortgage portfolio also includes CMHC-insured multi-unit residential mortgages and construction mortgages. Equitable's total on-balance sheet mortgage portfolio was \$3.5 billion as at December 31, 2010.

⁽¹⁾ Includes \$43,718 (2009 - \$56,777, 2008 - \$176,436) of CMHC-insured and \$11,940 (2009 - \$37,869, 2008 - \$12,267) of other insured single family dwelling mortgages.

Single Family Dwelling Mortgages. In this segment, the Company focuses on offering mortgages to borrowers who have difficulty qualifying for financing from conventional financing institutions due to the borrower's self-employed status, limited credit history or historical credit issues. Insured single family dwelling mortgages comprised 1.6% of the Company's mortgage portfolio.

Multi-Unit Residential Mortgages. This segment includes properties with more than four residential units. The average principal amount secured by mortgages on multi-unit residential buildings is much larger than on single family dwellings, which results in efficiencies of scale for Equitable. As at December 31, 2010, multi-unit residential mortgages (excluding held for sale) represented \$404 million or 11.6% of the Company's mortgage portfolio.

CMHC-Insured Multi-Unit Residential Mortgages. CMHC-insured mortgages are granted on multi-unit residential properties that are held for securitization. These mortgages are pooled and sold through the MBS Program where the Company retains an ongoing interest in the mortgages (See "Mortgage Backed Securities"). This segment represented \$76 million or 2.2% of the Company's mortgage portfolio.

Mixed-Use Property Mortgages. This segment includes properties comprised of both residential and commercial space. These mortgages are primarily originated by the Company's Commercial Mortgage - Broker Services team. This segment represented \$322 million or 9.3% of the Company's mortgage portfolio.

Commercial Mortgages. This segment deals primarily in larger commercial mortgages on retail, office and industrial properties. As at December 31, 2010, \$823 million in mortgages or 23.7% of Equitable's mortgage portfolio was comprised of commercial mortgages. Retail and office sectors accounted for the majority of the commercial mortgage portfolio at December 31, 2010 with industrial property and other minor commercial sectors comprising the balance of the portfolio.

Mortgages Held for Sale. This segment is comprised of 22.2% residential and 77.8% commercial mortgages on properties across Canada at December 31, 2010. These mortgages are originated by third-party lenders who require financing prior to pooling and eventually selling the mortgages to investors.

Construction Mortgages. This segment deals in construction mortgages made to developers and renovators of residential and commercial buildings and are generally short-term in nature. As of December 31, 2010, construction mortgages represented approximately \$120 million or 3.5% of the Company's mortgage portfolio.

Mortgage Origination. Independent mortgage brokers originated the majority of the Company's funding activity in 2010. One major mortgage brokerage firm accounted for approximately 31.0% of this funding activity, primarily in the non-single family dwelling segments. The remainder of the brokered mortgages was originated by mortgage brokers, none of which provided more than 2% of the total dollar volume of new mortgage production.

Mortgage Backed Securities

Since 1994, Equitable Trust has funded and securitized mortgaged assets under the NHA-MBS Program. Also, since 2008 Equitable Trust has been selling NHA-MBS under the CMB Program. Equitable Trust's participation in the NHA-MBS Program has been a steady, profitable and low-risk area of business.

In 1994, Equitable Trust entered into an exclusive agreement with First National Financial LP ("FNFLP") whereby Equitable Trust would originate CMHC-insured multi-unit residential mortgages brokered by FNFLP across Canada and securitize these mortgages through the NHA-MBS Program. The Company extended this agreement for a further five (5) year term in 2010. FNFLP is Canada's largest non-bank originator and underwriter of residential mortgages and provides a full range of mortgage products and services to individuals and investors.

As an issuer of the NHA-MBS, Equitable Trust retains the responsibility for administering CMHC-insured mortgages after their sale to investors through the NHA-MBS Program until the maturity of the mortgage. Equitable Trust has outsourced this administrative function on the multi-unit residential mortgages to FNFLP and pays a servicing fee to FNFLP.

Under the NHA-MBS Program, all principal receipts from mortgages are passed through to MBS investors together with interest at the MBS coupon rate. Interest payable on MBS is less than the interest earned on the underlying mortgages. This excess interest on mortgages is retained by the Company, net of the servicing fees paid to third parties, if any, and represents ongoing earnings to Equitable.

Deposit Taking

Equitable Trust is a federally regulated deposit taking institution and is a member institution of the CDIC.

Equitable Trust has both non-registered accounts and registered TFSAs. Equitable Trust's GIC products consist of short and long term GICs which are available in both the non-registered accounts and TFSAs. A cashable GIC issued for a one year term, cashable after 30 days, is available for non-registered accounts. A savings account is available within the TFSA. Equitable guarantees payment of the principal amount plus interest to the GIC holder in accordance with the terms of the GIC.

Equitable Trust sources its deposits primarily through the use of deposit agents who are members of the RDBA or the IIROC. RDBA members tend to be small to medium sized regionally based deposit agents, while IIROC members include bank-owned affiliates and other large investment dealers. The six largest bank affiliated deposit agents provided Equitable Trust with the majority of its outstanding GICs at December 31, 2010.

Risk Factors

The Company, like other financial institutions, is exposed to several factors which could adversely affect its business, financial condition or operating results. The risks faced by the Company are described on pages 34 through 38 inclusive of the Company's 2010 Management's Discussion and Analysis and those pages are incorporated herein by reference.

DIVIDENDS

The declaration and payment of dividends are within the discretion of the Board of Directors subject to regulatory restrictions. The Company is precluded from paying or declaring a dividend if there are reasonable grounds for believing that Equitable Trust is, or that payment would cause Equitable Trust to be, in contravention of any regulation made under the *Trust and Loan Companies Act (Canada)* with respect to the maintenance of adequate capital and adequate and appropriate forms of liquidity or with any direction given by OSFI with respect to such matters.

During the year ended December 31, 2010, the Company's quarterly common share dividend was maintained at \$0.10 per share. The Company declared and paid dividends totaling \$0.40 per common share for each of the last three financial years.

During the year ended December 31, 2010 \$357 thousand was reinvested pursuant to the Dividend Reinvestment Plan.

During the year ended December 31, 2010, the Company's quarterly Series 1 preferred share dividend was at a rate of \$0.453125 per share.

Dividends are payable on the common shares and the Series 1 preferred shares if, as and when declared by the Board of Directors. The Board of Directors are not required to declare or pay dividends on the common shares of the Company. The Company's Series 1 Preferred Shares are non-cumulative and are entitled to preference over the common shares with respect to the payment of dividends.

DESCRIPTION OF CAPITAL STRUCTURE

General Description of Share Capital

The Company's authorized share capital consists of an unlimited number of common shares, an unlimited number of preference shares, issuable in series. As of December 31, 2010, 14,943,437 common shares and 2,000,000 Series 1 Preferred Shares were issued and outstanding. The material provisions of the common shares and the preference shares are summarized or otherwise referred to below.

Common Shares

Holders of the Company's common shares are entitled to one vote per share at all meetings of the shareholders of the Company except meetings at which only holders of a specified class or series of shares are entitled to vote. The holders of common shares are entitled to receive dividends, if, as and when declared by the Board of Directors, subject to the preference of the holders of the preference shares of the Company. After payment of all outstanding

debts, the holders of common shares are entitled to receive the remaining property of the Company upon the liquidation, dissolution or winding-up thereof.

Preference Shares

The preference shares are issuable from time to time in one or more series. The Board of Directors of the Company is authorized to fix before issue the number of, the consideration per share of, the designation of, and the provisions attaching to the preference shares of each series, which may include voting rights. The preferred shares of each series will rank *pari passu* with the preferred shares of every other series and will be entitled to preference over the common shares and any assets in the event of liquidation, dissolution or winding-up of the Company. If any cumulative dividends or amounts payable on a return of capital are not paid in full, the preferred shares of all series will participate ratably in accordance with the amounts that would be payable on such shares if all such dividends were declared and paid in full or the sums that would be payable on the return of capital if all amounts so payable were paid in full, as the case may be.

The material provisions of the preference shares, including the non-cumulative 5-year rate reset preferred shares, Series 1 of the Company (the "Series 1 Preferred Shares") and the non-cumulative floating rate preferred shares, Series 2 of the Company (the "Series 2 Preferred Shares"), are described on pages 4 through 14 of the short form prospectus of the Company dated August 24, 2009 in connection with the public offering of the Series 1 Preferred Shares, and those pages are incorporated herein by reference.

Debentures

The Company entered into a first supplemental trust indenture with Equity Transfer & Trust Company, (the "First Supplemental") in connection with the issuance of up to \$30.8 million aggregate principal amount of Series 8 subordinated debentures (the "Series 8 Debentures") of the Company. Pursuant to the First Supplemental, the Company issued \$23.2 million in Series 8 Debentures. The Series 8 Debentures will pay fixed interest of 6.50% semi-annually for the first five years of its ten year term, and then bear a floating interest rate that is calculated at the 90-day Banker's Acceptance Rate plus 480 basis points, payable quarterly until maturity on December 18, 2019. On December 18, 2009, the Company entered into a master trust indenture with Equity Transfer & Trust Company, as Trustee (the "Master Trust Indenture"), in connection with the issuance of debentures. Pursuant to the terms of the Master Trust Indenture, the aggregate principal amount of debentures is unlimited and may be issued in one or more series. The Board of Directors of the Company is authorized to determine the aggregate principal amount of the debentures and the attributes attaching to the debentures by resolution and set forth in a supplemental indenture. The debentures of any series shall rank equally with other debentures of such series

On December 15, 2010 the Company entered into a second supplemental trust indenture with Equity Transfer & Trust Company, (the "Second Supplemental") in connection with the issuance of up to \$20 million aggregate principal amount of Series 9 subordinated debentures (the "Series 9 Debentures") of the Company. Pursuant to the Second Supplemental, the Company issued \$20.0 million in Series 9 Debentures. The Series 9 Debentures will pay fixed interest of 6.092% monthly for the first five years of its ten year term, and then bear a floating interest rate that is calculated at the 90-day Banker's Acceptance Rate plus 338 basis points payable quarterly until maturity on December 15, 2020.

The material details of the Series 8 and Series 9 Debentures may be found in Note 13 to the Company's 2010 audited consolidated financial statements, which are incorporated herein by reference.

SCHEDULE "A"

Audit Committee Mandate

A. Purpose

The Audit Committee (the "Committee") assists the Board of Directors in fulfilling its oversight responsibilities with respect to:

- (i) The quality and integrity of the Company's consolidated financial statements;
- (ii) The performance of the internal audit function;
- (iii) The qualifications, independence and performance of the external auditors;
- (iv) The identification and management of the Company's business, control/management, operational, strategic and reputational risks;
- (v) Compliance with legal and regulatory requirements; and
- (vi) The effectiveness of the Company's internal controls.

The Committee shall also perform such other responsibilities as may from time to time be delegated to the Committee by the Board.

B. Responsibilities

The Committee shall have the following responsibilities:

Financial Reporting

1. Review the interim and annual consolidated financial statements, management's discussion and analysis of financial condition and results of operations ("MD&A"), and earnings press releases and recommend their approval to the Board before such information is publicly disclosed;
2. Review and discuss with management and the external auditor significant financial reporting issues made in connection with the preparation of the Company's consolidated financial statements including critical accounting policies, accounting principles, practices, and significant management estimates and judgments, and any changes thereto;
3. Review and discuss with management and the external auditor any material changes in accounting policies and practices and their impact on the consolidated financial statements;
4. Review and discuss with management and the external auditor the effect of regulatory accounting initiatives as well as off-balance sheet structures on the consolidated financial statements;
5. Ensure adequate procedures are in place for the review of the Company's public disclosure of financial information extracted or derived from its consolidated financial statements, other than the routine financial statements and MD&A public disclosure, and periodically assess the adequacy of those procedures;
6. Review the process relating to and the certifications of the Chief Executive Officer and the Chief Financial Officer on the integrity of the Company's interim and annual consolidated financial statements;
7. Review financial information and earnings guidance (if any) provided to analysts and any rating agencies prior to public disclosure; and
8. Review the Annual Information Form.

Internal Audit

1. Review and approve annually the mandate, annual audit plan and budget, and ensure the function has the necessary resources and qualifications to carry out the audit plan;
2. Ensure the independence of internal audit from management;
3. Ensure internal audit complies with the professional standards of the Institute of Internal Auditors;
4. Review at least every five years an external quality assessment of internal audit;
5. Review annually internal audit's self-assessment;
6. Review and approve the appointment, replacement or dismissal of the head of internal audit;
7. Assess the performance and determine the compensation of the head of internal audit and make the appropriate recommendations to the Human Resources and Compensation Committee thereon;
8. Review the quarterly and periodic reports of internal audit together with management's response and follow up on outstanding issues;
9. Review any difficulties encountered by internal audit in the course of internal audits;

10. Discuss with the head of internal audit the effectiveness of the Company's internal controls;
11. Approve any reliance on internal audit work by the external auditor; and
12. Meet regularly with the head of internal audit without management being present.

External Auditor

1. Ensure that the external auditor reports directly to the Audit Committee;
2. Evaluate the qualifications, performance and independence of the external auditor and make recommendations to the Board regarding: (i) the external auditor to be nominated for appointment by the shareholders, and (ii) the compensation of the external auditor;
3. Review the terms of the external auditor's engagement;
4. Review the rotation plan for partners on the engagement;
5. Review the external auditor's annual audit plan, making recommendations as to the scope, extent and manner in which the external audit will be conducted;
6. Oversee the work of the external auditor appointed to express an opinion on the financial statements based on the audit or in performing other audit, review or attest services, including the resolution of disagreements between management and the external auditor regarding financial reporting;
7. Pre-approve all audit and non-audit services, including the associated fees, to be provided by the external auditors in accordance with Board approved policies and procedures;
8. Review and approve policies for the hiring of partners and employees or former partners and employees of the present or former external auditor;
9. Review a report from the external auditor describing (i) the auditor's quality control procedures and any material issues raised by the auditor's most recent review of internal quality control or by governmental or professional inquiry or investigation, and (ii) all relationships between the external auditor and the Company that may affect the objectivity or independence of the external auditor; and
10. Discuss with the external auditors the quality and acceptability of the accounting principles applied in preparing the financial statements.

Management of business, control/management, operational, strategic and reputational risks

1. Review and recommend for Board approval the Enterprise Risk Management Framework established by Management to manage the Company's principal risks;
2. Review and recommend for Board approval policies for managing significant risks, including policies related to business, control/management, operational, and strategic risks;
3. Review reports demonstrating compliance with such policies;
4. Ensure emerging risks are identified and appropriately managed;
5. Review the business continuity plan;
6. Review an annual report from the Company's General Counsel on any litigation claim that may have a material impact on the financial statements; and
7. Ensure the adequacy of the Company's insurance program and recommend for Board approval certain insurance limits.

Compliance

1. Review and approve the mandate of the Chief Compliance Officer and ensure the function has the necessary resources to carry out his or her duties;
2. Approve the appointment or dismissal of the Chief Compliance Officer;
3. Annually assess the performance of the Chief Compliance Officer and make the appropriate recommendations to the Human Resources and Compensation Committee thereon;
4. Review the Company's legislative compliance management program and recommend approval thereof by the Board;
5. Review quarterly and annual reports of the Chief Compliance Officer on the status of compliance with applicable legislation and regulations, and the effectiveness of the legislative compliance management program;
6. Review reports from internal audit on effectiveness testing of the legislative compliance management program;
7. Review and approve procedures for the receipt, retention and treatment of complaints received regarding accounting, internal accounting controls, or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters. The Committee shall receive reports on the procedures.

Internal Controls

1. Require management to implement and maintain appropriate internal control procedures, including anti-fraud controls, and review, evaluate and approve those procedures;
2. Review and discuss with the external auditor management's assessment of its internal controls over financial reporting; and
3. Receive reports from management and internal audit on the design and operating effectiveness of internal controls and any significant control breakdowns.

General

1. Review and assess the adequacy of this Mandate annually, and evaluate the Committee's effectiveness with respect to this Mandate;
2. Meet separately, at least quarterly, with management, the chief compliance officer, the head of internal audit and the external auditor; and
3. Perform such other functions and tasks imposed upon the Committee by regulatory requirements or delegated by the Board.

C. Membership

1. The Committee shall be comprised of a minimum of three directors.
2. Each member must be independent and financially literate as defined by National Instrument 52-110 *Audit Committees*.
3. Members are appointed annually by the Board immediately following the annual meeting of shareholders of the Company. Members shall hold office until their successors are appointed or until they cease to be Directors of the Company.

D. Vacancies

Vacancies may be filled for the remainder of the current term of appointment of members of the Committee by the Board.

E. Chairman and Secretary

1. The Board shall appoint one of the directors elected to the Committee as the chair of the Committee. In the absence of the Chair, the members shall elect one of the Committee members present to act as chair of that meeting.
2. The Secretary of the Company, or his or her designate, shall act as secretary at all meetings of the Committee and shall maintain minutes of all meetings and deliberations of the Committee.

F. Meetings and Quorum

1. Meetings of the Committee may be called by the Committee Chair, by any Committee member or by the external auditors. Members may participate in meetings in person or by telephone, electronic or other communication facilities as permit all persons participating in the meeting to communicate adequately with each other. A member participating by such means is deemed to be present at that meeting.
2. The Committee may invite any director, officer or employee or any other person to attend meetings to assist the Committee with its deliberations.
3. Notice of the meeting shall be sent to each Committee member by pre-paid mail, by personal delivery, facsimile, electronic-mail or telephone at least 24 hours before the time fixed for the meeting.
4. Notice of each Committee meeting shall also be given to the external auditor and the Head of Internal Audit, to attend and be heard at each meeting.
5. Quorum for a meeting shall be a majority of the Committee members, subject to a minimum of two members.

6. Signed resolutions in lieu of a meeting are not permitted.
7. The Committee shall report to the Board on its proceedings after each of its meetings.
8. The Committee shall regularly meet in-camera alone, and meet separately with each of the external auditor, internal auditor, chief compliance officer and management.

G. Frequency

The Committee shall meet at least quarterly and shall convene at such times, places and in such a manner as determined by the Chair of the Committee.

H. Access to Information

1. The Committee shall have unrestricted access to any officer of the Company and to all books and records of the Company necessary for the execution of the Committee's obligations.
2. The Committee has the authority to retain external counsel, consultants or other advisors and to set and pay the compensation of these advisors without consulting or obtaining the approval of the Board or any officer of the Company. The Company shall provide appropriate funding for the services of these advisors.
